e, and he was badly injured in his The accident occurred on Friday, he has since been confined to his room. will be about in a few days. Mr. Flemhad his knee and ankle severely sprainnd has not been out since but is now but escaped without injury. - - -A. Sayles, a nephew of L. A. Grant, left this village on Friday last for seat of war. He had no definite enement, but is bound to have a hand in present contest, and means to connect elf in some capacity with the 3d regiit, if he can. He is a young man about nteen years of age, brim full of enthum for his country, and will prove true you by express this day. faithful in whatever he undertakes. cess to him. - - - Geo. Sawyer of chville, a bright lad of nine years, and of practical patriotism that is so general of Daniel P. Sawyer, was drowned on duesday of last week while bathing. body was recovered within fifteen minafter he sank, but all efforts to resuste him were unavailing. Mr. and Mrs. yer have the full sympathy of the vilin their sudden bereavement, - - - -

atrictic lady of this village, the other

very coolly informed one of the seces-

sympathizers of this place that the day

coming when all such as he would be

g. Right! If the ladies will but talk be rid of the disgrace of having a sincessionist in our village. - - - Col. sell Hyde has the best specimen corn we have seen this year, on his lot just th of the Congregational church, He had several successive crops of corn ave ever seen such a one as is now of this writing, Monday, it has not been the same field, but we don't remember mised. In many places it is already positively ascertained that more than two ut half filled. - - - Charles Fleming bles. Of the wounded, Dorr Blood of Putof Col. Fleming of this village, is a ney, and Charles B. Rice of Brattleboro, aber of the 71st regiment New York are the only names we have yet seen.ty, and was in the battle of Bull Run, Mr. Benjamin had both his legs shot off, escaped without injury. He has return- we are informed, in the early part of the with his regiment to New York, and is battle and soon bled to death. He leaves TRAITORS AT HOME. - The defeat at without the least reserve or preparation,

Run has developed a little nest of trait- and so like a thunderbolt did it come upon here at home. Emboldened by the suc- her, that she fainted away at the door of of treason in Virginia, they have shown her own dwelling. Keables was shot in tories before them, so that they have is hoped that both may yet be found. cowardly to fight for treason there, they ticulars. The killed are as stated above. contradict the report. fer to come north where they can safely and chuckle, and gloat, over our reverse A. Todd. irginia. Let these men who thus rein the slaughter and defeat of our of Putney.

BEATTLEBORO .- The people of Brattlesuffered their full share in the late batat Bull's Run, but they are not disheart-I, and are firmer than ever against the ellion. There, as in other places, a few ors have showed their heads more promotly since the success of their friends in late battle. One of these traitors lives West Brattleboro, but we have forgotten name. There is also a secession lady High street, we believe, who very warmesponses the cause of the traitors. She been southernized by living in the south a teacher. There is another secesh lady ere, a Virginian-one of those the Phecouldn't find some weeks since. She joyed the slaughter and defeat of our ops finely, and when the news first came she was asked what she was laughing reptied, "It's my turn to laugh now." his thigh. Capt. Griffin says :- "After presume this lady will do no harm, and no one will harm her, but it is well ugh, we think, to know that such creatare among us, and we suggest to this guns. And when he became so weak from II. t lady in particular, whether it would not the loss of blood that he could not ride, he more appropriate for her to be in the got upon the box of a gun and gave orders mp of the traitors taking care of the to his gueners, until his boot run full of to his gueners, until his boot run full of blood, and he was entirely exhausted. I never saw more fortitude and courage distributed by the property of the late of the late shows and that she is very large and courage distributed by the property of the late of the late shows and large and courage distributed by the late of the la y yet have an opportunity to laugh from played." other corner of her mouth.

AN INQUIRY. The people in this section would like to was fought I went into a grove where the ow how it is that our District Attorney secessionists had been concealed. I found ed to secure the attendance of the nec- the ground covered with the dead and dyary witnesses in the case of Kimball, ing. The sight was one that I gray never nd over for robbery of the Post office to see again. One poor fellow with his leg Bellows Falls. No question is made blown off called me to him and asked me out his guilt. He was not indicted be- to shake hands with him, He then asked use the witnesses found it convenient to me if I had any ill fellings towards him. I away, and no measures had been taken replied "No; but I am sorry that brothers
